CATERING

Catering for morning tea and lunch will be available out the front of the poultry pavilion. The club gratefully acknowledges the Field family of Dubbo Poultry Club and all those who have provided their services to help run this important aspect of the show.

PRESENTATIONS

Major presentations and awards will be presented in the afternoon after judging has been completed along with judge's reports.

ANNUAL GENERAL MEETING

The Central West Wyandotte Club Inc. will hold their Annual General Meeting following the presentation awards, with all very welcome to attend.

DINNER

A casual get together dinner will be held on Friday night (20th May) prior to the Saturday show in Dubbo. Those interested in attending please let the show secretary know in advance or with show entries. Exhibitors will then be notified of location & time.

BREEDING & CLASSING FORUM

A hands-on forum will be held on Saturday afternoon after the Annual General meeting. This forum and general discussion aims to address the following topics:

Selection and Breeding for

- *White Wyandottes*
- *Pencilled Varieties*

Forum Guest Speakers:

- *Graham Smith*
- *Graeme Pearce*

The forum is free for financial members of the Central West Wyandotte Club. A fee of \$10 will apply for non-financial members. The forum will run for approximately 1 hour or as deemed necessary.

The forum aims to provide an insight on selection for the breeding pen, things to avoid and what are the desirable traits in White and Pencilled birds to produce exhibition birds.

The forum will be structured as a presentation with an open questions and discussion. Expressions of interest in attending the forum should be indicated on the show schedule entry form – to provide the club with potential attendee numbers

CLUB RAFFLE

The prizes for the club raffle this year include:

- 1000 doses of Mareks or Fowl Pox vaccine (Proudly donated by Treidlia Biovet Pty Ltd)
- Bags of poultry feed and other poultry husbandry items (Proudly donated by Dubbo Pet & Stockfeeds).
- Laucke Mills feed vouchers (Proudly donated by Laucke Mills)

Raffle tickets can be purchased with show entries and on the day of the show.

JUDGING

Judging will commence at **9am on Saturday 21 May.**

MEMBERSHIP FEES

Central West Wyandotte Club membership \$10 per year. Membership can be paid with show entries or on the day of show.

CONDITIONS OF ENTRY

Birds to be benched for judging by 8.30 am on Saturday 21st May 2022.

All birds will be judged according to the Australian Poultry Standards. Any Other Recognised Colour (AORC) are varieties not listed in the catalogue, but which are listed in the Australian Poultry Standards. Developmental varieties are colours which have not been formally submitted for inclusion the Australian Poultry Standards. Some varieties which are currently in the process of being accepted into the Australian Poultry Standards have been listed in this schedule. Additional classes will be made where there are 3 or more entries of the same variety not listed as an individual class.

Birds wearing permanent Leg rings/bands are accepted by this club for judging.

Birds may only be removed from their pens for the conduct of judging, involvement in the classing workshop or for photography, with approval by a steward and a steward must be in attendance while the birds are absent from their pens.

The club will take all necessary precautions but will not be responsible for the damage or loss of personal property or exhibits. The club also reserves the right to inspect any carry boxes where necessary.

Exhibits showing signs of sickness or disease will be removed from the class by an authorised steward to a quarantine area, for biosecurity reasons.

Pullets and cockerels to be under 12 months of age.

Cockerel and pullet breeding classes are for varieties where the opposite sex does not meet the colour requirements of the exhibition standards, e.g. laced, pencilled and black varieties. This enables both sexes to be shown.

Breeding pairs will be judged as true breeding pairs, for example a Silver Laced breeding pair would consist of a male of exhibition standard and a Silver Laced Cockerel breeding female.
